media release

Switzerland, Basel, October 27, 2017

**APPROVAL OF DELISTING OF SYNGENTA SHARES**

On 8 March 2016, CNAC Saturn (NL) B.V., Amsterdam, The Netherlands, a subsidiary of China National Chemical Corporation (ChemChina), published the offer prospectus on the public tender offer for all publicly held registered shares of Syngenta AG at the offer price of USD 465 per registered share. On 10 May 2017, ChemChina announced that the public tender offer was successful.

On 2 October 2017, Syngenta AG applied for the delisting of the Syngenta shares from SIX Swiss Exchange. On 26 October 2017, the request was approved by SIX Exchange Regulation.

The last trading day for the Syngenta shares and the effective date of the delisting will be determined after the final judgment in the cancellation proceedings regarding the remaining publicly held registered shares of Syngenta will be available. The cancellation proceedings were initiated by CNAC Saturn (NL) B.V. in July 2017.

**About Syngenta**

Syngenta is a leading agriculture company helping to improve global food security by enabling millions of farmers to make better use of available resources. Through world class science and innovative crop solutions, our 28,000 people in over 90 countries are working to transform how crops are grown. We are committed to rescuing land from degradation, enhancing biodiversity and revitalizing rural communities. **Cautionary statement regarding forward-looking statements**

*Some of the statements contained in this press release are forward-looking statements. These statements are based on current expectations, assumptions, estimates and projections, and involve known and unknown risks, uncertainties and other factors that may cause results, levels of activity, performance or achievements to be materially different from any forward-looking statements. These statements are generally identified by words or phrases such as "believe", "anticipate", "expect", "intend", "plan", "will", "may", "should", "estimate", "predict", "potential", "continue" or the negative of such terms or other similar expressions. If underlying assumptions prove inaccurate or unknown risks or uncertainties materialize, actual results and the timing of events may differ materially from the results and/or timing discussed in the forward-looking statements, and you should not place undue reliance on these statements. Syngenta disclaims any intent or obligation to update any forward-looking statements as a result of developments occurring after the period covered by this press release or otherwise.*
